

To: Cllr David Bett, Cllr Lesley Mclean, Vanessa Bowler, Tony Brummell, Lewis Purbrick, Artur Mielczarek, Cllr Linda Ward, Cllr Fiona Mawson, Cllr Ian Middleton, Cllr Dave Konanuwa

You are requested to attend a meeting for Flooding
to be held at Exeter Hall on Monday 12 May 10.00pm

Sarah Kearney
Clerk to Kidlington Parish Council

Agenda

1. Action from last meeting – to be updated and discuss any further requirements

Mill End/Queens Avenue Actions:

- TB to send DB a copy of the public sewer records for use by KPC
- KPC/CDC to establish where the 4th valve chamber is and confirm it does not link to any highway or public sewer network, and if this is the case, to identify who is responsible for this chamber and valve
- KPC to write to Thames Water setting out their responsibilities for the valve chamber in 1 Watermead and to ask them to carry out maintenance on the public surface water sewers in Mill Street and the Moors
- AM agreed to instigate highway drainage maintenance in Mill Street and the Moors
- AM to access the two valve chambers draining the Queens Avenue estate and instigate necessary maintenance. Agreed that they would cut off the locks and fit their own
- PW to arrange a survey of highway drains in the Queens Avenue Estate

Garden City Estate Actions:

- TB to check if land at Stratfield Brake is leased to CDC along the line of the ditch to the west
- TB to undertake the work at Stratfield Farm to open up the ditch
- PW to see if they had a record of highway drainage systems in Garden City

Oxford Road

- AM to inspect and clear road gullies

Flood Plan

- GS and CB to forward DB contacts

2. Mill Street and Mill End – to be updated and discuss any further actions

3. Queens Avenue – to be updated and discuss any further actions

4. Garden City – to be updated and discuss any further actions
